

BEACHBOOMERANG 2009

Viareggio 24-25 October

Hi everybody!

We are very happy to organize 10th edition of "BeachBoomerang" event in Viareggio. This year the main hotel will be Bella Riviera (as in 2006 and older editions). If more rooms will be needed we will book some others at La Pace hotel. There are no many news from last year, but here you have some useful information for people that are in Viareggio for the first time. Train timetable change every year so check this part if you are interested in.

The "BeachBoomerang" is a boomerang tournament on the beach, so you have to compete and run on sand. It's quite different from a grass, but it's also very amazing and really great fun.

We usually have nice weather in October. Sometimes you can also have a swim in the sea, especially if you are German and don't think cold water is a big problem! ;-)

If you take the plane, the nearest airport to Viareggio is Pisa. Once landed in Pisa, it's very easy to reach Viareggio by train. Take the train from "Pisa Aereoporto" to "Pisa Centrale" and then change, from "Pisa Centrale" to "Viareggio". There are a lot of trains during the day and this solution is not expensive at all (about 2.40 euros for normal trains). You can find timetables at the end of these two pages. Once arrived in Viareggio we can pick you up from the station and drive you until the Hotel. If you want you can walk for about 1 km in "Via Mazzini" (right in front of the station, in the sea direction). Once arrived at the end of this street, you will be in the middle of "Piazza Mazzini", basically in front of the "Bella Riviera" hotel.

If you arrive by car, you will probably arrive from north, from A12. Take "Viareggio Exit", then you will find a roundabout, turn right and at the second roundabout turn left. What you have to do is reaching the sea: there are two traffic lights, turn left at the second one (on the right

there is a bridge). Now you are on the big street close to the sea, go straight on, direction Viareggio. To reach the “Bella Riviera” hotel you have to pass 3 traffic lights. The fourth traffic light is just in “Piazza Mazzini”: your hotel is right on your left. To reach the field go straight in “Via Mazzini” until its end. You will arrive at one dock (there is a fast food on your right called Manhattan’s burgers), the field is on your right, on the beach.

Parking is becoming a problem in Viareggio, because you have to pay! You can stay for free in the area around the hotel, for 15 min., then you have to pay. There are daily tickets that costs 8 euro. I will send another pdf file with free parking areas (not so close to the hotel)

Accommodation is quite close to the field (about 300 mt). Prices are:

- single room 47 euros
 - double room 62 euros
 - three bed room 77 euros
 - four bed room 92 euros
- including breakfast

If necessary, there is another hotel, right next, called “La Pace” hotel. Prices are similar (about +2-5 euros). Anyway we will try to stay all together also because the dinner on Saturday night is at “Bella Riviera” hotel.

Registration will start on Saturday morning on the beach from 10:00 o’clock. You don’t have to pay anything before. The registration fee will be 50 euros, including two lunches (Saturday and Sunday), one dinner (Saturday), water and fruit. We will try to organize dinner in the Hotel, so it’s easier and relaxing for you. Visitors fee is 35 euros including every meal.

Tournament will start Saturday morning at 11:00 o’clock. We don’t have an official program yet, however, you know, the six classical events. We will finish on Sunday, before or just after lunch, so you can organize your departure at the best. If you stay also on Monday we can relax on the beach.

N.B. Pisa and Viareggio are quite close so all the trains, cheap or expensive, need the same time (about 15-20 minutes) to arrive.

I want to thank in advance all the people that make the "BeachBoomerang" event possible: Giorgio Bina (the real father of this event), Francesco Garuglieri, Stefano Pucci, Eugenio Manfredi, Federico Coluccini and our relatives. A lot of work for our two best days in the year!

We are looking forward to see you on the beach!
