

OFFICIAL LETTER TO ASSOCIATIONS AND THROWERS

Hello to all Association members,

It's a pleasure to invite you for the next **WORLD BOOMERANG CHAMPIONSHIP!**

Until next December 15th, WBC website will be online with all the information regarding the event but below there's a small description:

When: 17th to 28th of October, 2012.

Where: Pesqueiro e Pousada Maeda - Itu (São Paulo State) <http://www.pesqueiromaeda.com.br/home>

Very nice place - accommodation for 300 throwers in 4 person chalets. Very good restaurant - different dishes everyday.

Field - 300x350 m area within easy walking distance of the restaurant and chalets.

How:

- In the registration form (available on www.wbc2012.org until December 15th) all throwers and officials will give us personal and specific information about flights, arrival and departure schedules, special needs (food, first aid, etc.).
- March 20th – last date for team and individual registration.
- April 30th – last date for registration payment (€\$600, including 10 days of hotel, breakfast, lunch, dinner and registration tax - we are in discussion with various sponsors and government agencies and hope to reduce the fees for all participants).
- All throwers and officials will be picked up at the airport and taken to the accommodation.
- There will be a tent for throwers (tables/chairs for each team / locker where they can keep their booms and other objects / board with throwers pictures/names and results) and a tent for officials (sofas / TV / magazines / newspapers).
- Everybody will receive a kit containing T-shirt, event folder, championship manual, indication of nearest places for buying food and beer etc.
- There will be security and first aid services.

We look forward to seeing you all next year and will keep you all informed as information comes to hand.

Best regards,

Ricardo Marx – www.abb.org.br / presidente@abb.org.br

Ps.: we would like to apologize for the late information arriving to you all, this was caused by the cancellation of our original venue location.
